

### Stadium Project

The project will include a new stadium entrance, restrooms, concession stands, equipment storage, bleachers, press box, and a state of the art all-weather track. The new facility will be used for football, track & field, PE classes, competitive events, our annual graduation ceremony, and available for public use. Once this project is completed, it will finalize the Olathe education experience.

### Track Technology

- ✓ All-Weather Technology
- ✓ Enhances Performance
- ✓ Reduces Injuries

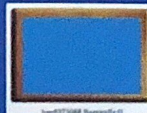

### Community Sponsorship

Olathe Middle High School is on its way to improve the athletic programs and boost the impact for our future students. With your help and contributions, we can make all of these dreams come true. Community members have the ability to choose any form of the sponsorship options listed below. We would love to honor your support by hanging your company name or business to our contribution wall.

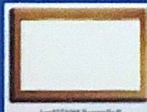

Gold \$1,500

Blue \$1,000

White \$500

## Donation Form

Would you be willing to help Olathe out?
